

Jeep Wrangler (JK) 2WD - This Service Bulletin was issued by the Jeep Division of Daimler-Chrysler. It applies only to 2WD versions built on or before November 8, 2006 (MDH 1108XX)

Jeep Service Bulletin Number: 08-007-07

Group: Electrical

Date Issued: 6-6-07

Subject: The Electronic Stability Program may prematurely activate momentarily when negotiating a curve. The “fix” involves your Jeep dealer selectively erasing and reprogramming the Anti-Lock Brake System with new software.

See your Jeep dealer if you have experienced this issue.
